

Message from Medjugorje

for this month

The decree of the Congregation for Propagation of the Faith A.A.S. 58, 1186 (approved by Pope Paul VI on October 14th, 1966) states that the Nihil Obstat and Imprimatur are not required on publications dealing with private revelations, provided they contain nothing contrary to faith and morals. I wish to state unconditional submission to the final and official judgement of the Magisterium of the Church regarding these events under investigation.

25/9/09 - Dear children! with joy, persistently work on your conversion.

Offer all your joys and sorrows to my Immaculate Heart that I may lead you all to my most beloved Son, so that you may find joy in His Heart.

I am with you to instruct you and to lead you towards eternity.

Thank you for having responded to my call
