28th Year of apparitions

Message from Our Lady - 25th April 2009

Dear children! Today I call you all to pray for peace and to witness it in your families so that peace may become the highest treasure on this peaceless earth.

I am your Queen of Peace and your mother.

I desire to lead you on the way of peace, which comes only from God.

Therefore, pray, pray, pray.

Thank you for having responded to my call.

Notes.

I. You may well be surprised to receive this. I am trying to start again with the task I had been given in 1989, and had to suspend last year. I am sorry from the bottom of my heart that I had to do this, and am so grateful for the many prayers which were said for me. There was a period of trial - financial, family and faith, but I am glad to say that God has not deserted me - I will not go into details here, but I am so glad to be back.

Please let me know if you wish to receive these Notes as you did before, so that I know how many to send - if any.

Thoughts on the Message

How much we are in need of peace, and Our Mother knows this. Peace is not something we can do without, but how often this peace is sought away from the King of Peace, whose death and Resurrection we have just celebrated in our Churches !

If peace is so important, how can we find it ? It 'comes ony from God', and by turning away from God it is

impossible to find a lasting, complete peace. No wonder our Mother, the Queen of Peace, is so keen to help us to find it, and this is through prayer. I cannot find enough space to list all the many messages where we are asked to pray, or, as here, 'pray, pray, pray'

Dear Mother lead me to your Son. Teach me again how to pray, to listen, to follow, to be open to the wishes of Jesus, who will then be able to lead me to peace, to love, to a place with God for eternity.
